

CORPORATE GOVERNANCE STATEMENT

STATEMENT ON CORPORATE GOVERNANCE AT BANNERMAN

This statement reports on Bannerman Energy Ltd (“**Bannerman**” or “**the Company**”) key governance framework, principles and practices as at 30 June 2022. These principles and practices are reviewed regularly and revised as appropriate to reflect changes in law and good practice in corporate governance.

ASX PRINCIPLES OF CORPORATE GOVERNANCE

Bannerman, as a listed entity, must comply with the Corporations Act 2001 (Cth) (“**Corporations Act**”), the Australian Securities Exchange (“**ASX**”) Listing Rules (“**ASX Listing Rules**”), other Australian securities laws, and the Namibian Stock Exchange (“**NSX**”) Listing Rules.

ASX Listing Rule 4.10.3 requires ASX listed companies to report on the extent to which they have followed the Corporate Governance Principles and Recommendations (“**ASX Principles**”) released by the ASX Corporate Governance Council. The ASX Principles require the Board to consider carefully the development and adoption of appropriate corporate governance policies and practices founded on the ASX Principles.

COMPLIANCE WITH ASX PRINCIPLES OF GOOD CORPORATE GOVERNANCE

Details of the Company’s compliance with the ASX Principles are set out below. A checklist, cross referencing the ASX Principles to the relevant section of this Statement and the Remuneration Report, is provided with this Report and published on the Company’s website at www.bannermanenergy.com.

1. THE BOARD OF DIRECTORS

a) Board Composition and Expertise

The Board has a range of relevant industry experience, operational, financial and other skills and expertise to meet its objectives.

The current Board composition includes three independent directors, two non-independent directors and one executive director. Details on each director’s background including experience, skills and expertise and their status as an independent or non-independent director are set out in the Annual Report.

Directors are expected to bring independent views and judgement to the Board's deliberations. Three of the five Directors are considered by the Board to be independent, and as such the Company complies with Recommendation 2.4 of the Corporate Governance Council, which recommends that a majority of Board members should be independent.

The Board considers and evaluates regularly that the executive and non-executive directors collectively bring the range of experience, skills and expertise necessary to direct the Company. The mix of skills and experience that the Board would look to maintain and build on, include:

- mining industry and capital markets experience
- business acumen
- relevant technical expertise
- corporate governance
- strategy development

In assessing the composition of the Board, the directors have regard to the following policies:

- the Chairman should be non-executive and independent;
- the role of the Chairman and Chief Executive Officer ("**CEO**") should not be filled by the same person;
- the CEO should be a full-time employee of the Company;
- the Board should include a majority of independent non-executive directors; and
- the Board should represent a broad range of experience, skills and expertise considered of benefit to the Company.

b) Board Role and Responsibilities

The roles and responsibilities of the Board are formalised in the Board Charter. The Board Charter defines in detail the matters that are reserved for the Board and its committees, and those that the Board has delegated to management. The central role of the Board is to oversee and approve the Company's strategic direction, to select and appoint a CEO, to oversee the Company's management and business activities and to report to shareholders.

In addition to matters required by law to be approved by the Board, the following powers are reserved to the Board for decision:

- Strategy - providing strategic oversight and approving strategic plans and initiatives;
- Board performance and composition – evaluating the performance of non-executive directors, and determining the size and composition of the Board as well as recommending to shareholders the appointment and removal of directors;
- Leadership selection – determining the selection and evaluating the performance of the CEO and those executives reporting directly to the CEO;
- Corporate responsibility – considering the social, safety, ethical and environmental impacts of Bannerman's activities, and setting policy and monitoring compliance with safety, corporate, environmental and social policies and practices;
- Financial performance – approving Bannerman's annual operating plans and budgets, and monitoring management, financial and operational performance;
- Financial reports to shareholders – approving annual and half-year reports and disclosures to the market that contain, or relate to, financial projections, statements as to future financial performance or changes to the policy or strategy of the Company;
- Risk management – providing oversight of risk management and setting risk management policy; and

- Establishing procedures – ensuring that the Board is in a position to exercise its power and to discharge its responsibilities as set out in the Board Charter.

The Board also recognises its responsibilities to Bannerman's employees, the communities and environments within which Bannerman operates and, where relevant, other stakeholders.

Responsibility for management of Bannerman's business activities is delegated to the CEO who is accountable to the Board.

The Board Charter is available in the corporate governance section of Bannerman's website.

c) Chairman

The Board elects one of the independent, non-executive directors to be Chairman. The Chairman is responsible for leadership of the Board, for the efficient organisation and conduct of the Board's function and for the promotion of relations between Board members and between Board and management that are open, cordial and conducive to productive co-operation.

Mr Ronnie Beevor was appointed as non-executive Chairman in November 2012.

d) Director Independence

The Board has approved a policy on independence of directors, a copy of which is available in the corporate governance section of Bannerman's website.

The policy provides that the independence of a director will be assessed by determining whether the director is independent of management and free of any business or other relationship that could materially interfere with, or could reasonably be perceived to materially interfere with, the exercise of their unfettered and independent judgement.

The test of whether a relationship or business is material is based on the nature of the relationship or business and on the circumstances and activities of the director. Materiality is considered from the perspective of Bannerman, the persons or organisations with which the director has an affiliation and from the perspective of the director. Materiality thresholds are considered by the Board from time to time.

The Board considers that:

- a material customer is a customer of Bannerman which accounts for more than 5% of Bannerman's consolidated gross revenue;
- a supplier is material if Bannerman accounts for more than 5% of the supplier's consolidated gross revenue; and
- a substantial shareholder of Bannerman or of any Bannerman subsidiary is someone who holds 5% or more of the voting capital of the relevant entity.

The Board recognises that service on the Board for a period exceeding ten years is a period which could, or could reasonably be perceived to, materially interfere with a director's ability to act independently or in the best interests of the Company. In circumstances where a director's tenure exceeds ten years, the Board (other than that director) considers the director's performance and

the Company's circumstances as a whole and resolves whether or not there are grounds for determining that the director is no longer independent. It is noted that non-executive Chairman, Mr Ronnie Beevor has served for a period exceeding ten years, the Board (other than the Mr Beevor) has considered the director's performance and the Company's circumstances and resolved that Mr Beevor remains independent.

Non-executive director Clive Jones is regarded as independent. On 21 October 2021, Mr Jones gave notice pursuant to Section 671B of the Corporations Act that he, or his nominees, ceased to be a substantial shareholder, having participated in the off market sale of shares on 19 October 2021. As a consequence, Mr Jones relevant interest declined from 77,848,668 (6.46%) to 17,864,568 (1.20% pre-consolidation, or 1,786,458 post consolidation). With a shareholding below 5%, Mr Jones is regarded as independent.

Non-executive director Ian Burvill is regarded as independent. Mr Burvill was the nominated representative of former substantial shareholders, Resource Capital Fund IV L.P. ("RCFIV") and Resource Capital Fund VI L.P. ("RCFVI"). Mr Burvill also holds beneficial, non-voting, interests in RCFIV and RCFVI. In September 2018, RCFIV and RCFVI sold their entire shareholdings in Bannerman, in July 2021 they accepted an offer to buy back and extinguish revenue royalty rights over the Etango project. The consideration payable to RCFIV and RCFVI was A\$2 million cash and the issue of 15,680,000 new Bannerman shares. RCFIV and RCFVI ceased to hold their rights to appoint a nominated representative, following which the Board invited Mr Burvill to remain as an independent non-executive director.

In June 2022 the Board, having regard to Mr Jones and Mr Burvill's tenure on the Board, both of whom had passed 10 years, considered the Company's Independence of Directors Policy and relevant corporate governance considerations as set out in the Corporations Act and ASX listing rules, and confirmed:

- (with Mr Jones recusing himself) that there were no grounds for rejecting Mr Jones as an independent director and therefore he should be considered as such; and
- (with Mr Burvill recusing himself) that there were no grounds for rejecting Mr Burvill as an independent director and therefore he should be considered as such.

Managing Director and Chief Executive Officer Brandon Munro is not regarded as independent due to his executive responsibilities.

e) Directors' Retirement and Re-election

Bannerman's Constitution states that at each annual general meeting one third, or nearest to one third (excluding the Managing Director and any director appointed to fill a casual vacancy or as an additional director), and any other director who has held office for three or more years (excluding the Managing Director) since their last election must retire.

Any director appointed to fill a casual vacancy or as an additional director since the date of the previous annual general meeting must submit themselves to shareholders for election at the next annual general meeting. Directors who retire as required may offer themselves for re-election by shareholders. Re-appointment of retiring directors is not automatic.

In accordance with the Company's Constitution, Mr Jones and Mr Burvill will seek re-election as non-executive directors at the Annual General Meeting to be held in November 2022.

f) Board Succession Planning

The Board, in conjunction with its Remuneration, Nomination and Corporate Governance Committee, reviews the size and composition of the Board and the mix of existing and desired competencies across members from time to time.

g) Board Performance Evaluation

The Board undertakes ongoing self-assessment and periodic reviews of the performance of the Board, committees and individual directors. The Chairman of the Board is responsible for determining the process for evaluating Board performance. Historical performance evaluations have consisted of various questionnaires which are completed by each director and then reviewed, tabulated and analysed by the Chairman of the Remuneration, Nomination and Corporate Governance Committee. The analysis is then summarised at the next Board meeting by the Chairman of the Board. The performance of the Board was reviewed in June 2022.

h) Nominations and Appointment of New Directors

Recommendations for nomination of new directors are considered by the Remuneration, Nomination and Corporate Governance Committee and approved by the Board as a whole. Appropriate checks of candidates are undertaken before appointment and all material information in the Company's possession relevant to a decision on whether or not to elect or re-elect a director is provided to security holders in the Notice of Annual General Meeting.

i) Professional Advice

Directors may, in carrying out their Company-related duties, seek external professional advice. If external professional advice is sought, a director is entitled to reimbursement of all reasonable costs where such a request for advice is approved by the Chairman. In the case of a request made by the Chairman, approval is required by at least two Board members.

j) Conflicts of Interest

Directors are required to disclose any actual or potential conflict or material personal interests on appointment as a director and are required to keep these disclosures up to date.

In the event that there is, or may be, a conflict between the personal or other interests of a director, then the director with an actual or potential conflict of interest in relation to a matter before the Board does not receive the Board papers relating to that matter. When the matter comes before the Board for discussion, the director withdraws from the meeting for the period the matter is considered and takes no part in the discussion or decision making process.

k) Terms of Appointment, Induction Training and Continuing Education

All new directors are provided with a formal letter of appointment setting out the key terms and conditions of the appointment, including duties, rights and responsibilities, the time commitment envisaged and the Board's expectations regarding their involvement with committee work.

A formal induction is provided to all new directors. It includes comprehensive meetings with the CEO, key executives and management, information on key corporate and Board policies and visits to the Company's Etango Project in Namibia.

All directors are expected to maintain the skills required to discharge their obligations to the Company. Directors are encouraged to undertake continuing professional education and where this involves industry seminars and approved education courses, this is paid for by the Company where appropriate.

l) Directors' Remuneration

Details of the remuneration paid to directors is set out in the Remuneration Report.

m) Board Meetings

The CEO sets the agenda for each meeting in conjunction with the Chairman and the Company Secretary. Any director may request additional matters be added to the agenda. Members of senior management and directors of subsidiaries attend meetings of the Board by invitation and sessions are also held for non-executive directors to meet without management present.

Directors are entitled to request additional information where they consider the information is necessary to support informed decision making.

n) Company Secretary

The Company Secretary, Steve Herlihy was appointed as Company Secretary in January 2022, and is responsible for the secretarial function including providing advice to directors and executives on corporate governance and regulatory matters, recording minutes of directors' and committee meetings, administering Bannerman's corporate governance framework and giving effect to the Board's decisions. All directors have access to advice from the Company Secretary.

In doing so, it is the Audit Committee’s responsibility to maintain free and open communication with the external auditors and the management of Bannerman.

The Audit Committee is required to have a minimum of three non-executive directors, the majority of whom are to be independent.

The external auditors, CEO and CFO attend Audit Committee meetings by invitation. The Committee meets at least two times per year.

3. EXTERNAL AUDITOR RELATIONSHIP AND INDEPENDENCE

a) Approach to Audit and Governance

The Board is committed to the basic requirements that:

- Bannerman's financial reports represent a true and fair view of its financial position;
- Bannerman's accounting practices are comprehensive, relevant and comply with applicable accounting standards and policies; and
- the external auditor is independent and serves shareholders' interests.

b) External Auditor Relationship

Bannerman's independent external auditor is Ernst & Young. Ernst & Young was appointed by shareholders at the 2007 Annual General Meeting in accordance with the Corporations Act.

The Board has adopted an External Auditor Policy which requires rotation of the audit partner at least every five years, prohibits the reinvolverment of a previous audit partner in the audit service for two years following their rotation, and provides that a former partner of the audit firm, or member of the audit team, may only be recruited into a position as a director or senior employee of Bannerman after the expiry of at least two years.

A copy of the External Auditor Policy is available in the corporate governance section of Bannerman's website.

c) Attendance of Auditor at the Annual General Meeting

Bannerman's external auditor attends the annual general meeting and is available to answer questions from shareholders regarding:

- the conduct of the audit;
- the preparation and content of the auditor's report;
- the accounting policies adopted by Bannerman in relation to the preparation of the financial statements; and
- the independence of the auditor in relation to the conduct of the audit.

4. RISK MANAGEMENT AND INTERNAL CONTROL

a) Approach to Risk Management

The Board, its committees and senior executives are responsible for overseeing the implementation of the Company's Risk Management Policy.

The Company's approach to risk management is based on the identification, assessment, monitoring and management of material risks embedded in its business and management systems. The risk management framework is reviewed annually.

b) Risk Management Roles and Responsibilities

The Board and its committees are responsible for ensuring that risks, and also opportunities, are identified on a timely basis and that the Company's objectives and activities are aligned with those risks and opportunities.

The Board and its committees have a number of mechanisms in place to ensure that management's objectives and activities are aligned with the risks identified by the Board. These include:

- the Board receives regular updates on key risks associated with the development of the Company's Etango Project;
- the implementation of Board-approved annual operating budgets and plans which are monitored against actual costs and progress;
- the Audit Committee reporting on specific finance risks; and
- ensuring the executive management team is responsible for developing policies, processes and procedures to identify risks and mitigation strategies in Bannerman's activities.

The Company's Risk Management Policy is available in the corporate governance section of Bannerman's website.

c) Internal Audit Function

The Company does not have an independent internal audit function. Due to the nature and size of the Company's operations, and the Company's ability to derive substantially all of the benefits of an independent internal audit function in the manner disclosed below, the appointment of an independent internal auditor is not considered to be appropriate.

The Board as a whole and through the Audit Committee performs all key elements of an internal audit function. The Board delegates to the CEO the authority to implement any non-strategic amendments to risk management systems required as a result of changed circumstances, or where the potential for improvement has been identified; reporting all such matters to the Chairman promptly, and to the Board for consideration at its next meeting. The Board may also seek input from appropriate Executives where strategic changes to risk management and internal control process are required. The Board makes such strategic changes as and when required.

d) CEO and CFO Assurance on Corporate Reporting

The Board receives monthly management reports on the financial condition and operational results of Bannerman and its controlled entities.

The CEO and CFO provide, at the end of each half-yearly period, a formal statement confirming that the Company's financial reports present a true and fair view, in all material respects, and the group's financial condition and operational results have been prepared in accordance with the relevant accounting standards.

The Board has received assurance from the CEO and the CFO that the declaration provided in accordance with s295A of the Corporations Act is founded on a sound system of risk management and internal control and that the system is operating effectively in all material respects in relation to financial reporting risks.

5. PROMOTING ETHICAL AND RESPONSIBLE BEHAVIOUR

a) Health, Safety, Environment and Community

The Board has developed a Health and Safety Policy consistent with Bannerman's commitment to standards of occupational health and safety management at its Etango Project in Namibia. The health, safety and wellbeing of Bannerman's people, contractors, suppliers, visitors and host communities are a key value for the Company.

Bannerman's safety management system includes standards to guide all aspects of safety management at Bannerman's project sites in Namibia. Bannerman's philosophy is that all

personnel share the responsibility for a safe workplace. Bannerman's safety performance is closely and carefully monitored by the Board.

Bannerman has developed an Environmental Policy that aims to facilitate an appropriate standard of environmental care and to ensure that the Company is in compliance with all environmental legislation.

Bannerman actively engages in a range of community and small and medium enterprise initiatives in consultation with local communities in Namibia and in this respect has developed a Social Policy. Bannerman has invested in Namibia since 2005 and in this time has contributed substantially to the communities in which it operates.

Each of the Company's Health and Safety, Environmental and Social policies are available in the corporate governance section of Bannerman's website.

b) Code of Conduct

Bannerman has developed a Board Code of Conduct which describes the standards of ethical behaviour that directors are required to maintain.

Compliance with the Board Code of Conduct will also assist Bannerman in effectively managing its operating risks and meeting its legal and compliance obligations, as well as enhancing Bannerman's corporate reputation.

The Board Code of Conduct describes Bannerman's requirements on matters such as confidentiality, conflicts of interest, compliance with laws and regulations, and the protection and proper use of Bannerman's information and assets.

A copy of the Board Code of Conduct is available in the corporate governance section of Bannerman's website.

c) Ethical Behaviour

With the relatively small employee base at this stage of the Company's development, management is charged with the responsibility of ensuring all employees are committed to maintaining an open working environment in which employees are able to report instances of unsafe work practices and unethical, unlawful or undesirable conduct without fear of intimidation or reprisal. Given the nature and size of the Company, employees have regular opportunity for direct interaction with the Board.

d) Bribery and Corruption Policy

Bannerman's Bribery and Corruption Policy is binding on all directors and employees. This policy sets out the responsibilities of Bannerman personnel in observing and upholding the Company's position on bribery and corruption, promotes the use of legitimate business practices and provides information and guidance on how to recognise and deal with instances of bribery and corruption.

A copy of the Company's Bribery and Corruption Policy is available in the corporate governance section of Bannerman's website.

e) Whistleblower Policy

Bannerman's Whistleblower Policy is binding on all directors and employees. This policy encourages and supports people to feel confident to speak up safely and securely if they become aware of wrong-doing or illegal or improper conduct within the Company. The Whistleblower Policy has been implemented and presented to staff and is available in the corporate governance section of Bannerman's website.

f) Securities Trading Policy

Bannerman's Securities Trading Policy is binding on all directors and employees. This policy provides a brief summary of the law on insider trading and other relevant laws, sets out the restrictions on dealing in securities by people who work for or who are associated with Bannerman, and is intended to assist in maintaining market confidence in the integrity of dealings in the Company's securities.

The policy stipulates that the only appropriate time for a director or employee to deal in the Company's securities is when he or she is not in possession of 'price sensitive information' that is not generally available to the share market. A director wishing to deal in the Company's securities may only do so after first having received approval from the Chairman. In the case of the Chairman, he/she must receive approval from the Chairman of the Audit Committee prior to dealing. All staff wishing to deal must obtain approval from the CEO. Confirmation of any dealing must also be given by the director or employee to the Company Secretary within two business days after the dealing.

Directors and senior executives' dealings in the Company's securities are also subject to specified blackout periods, which are set out in the Company's Securities Trading Policy or as otherwise determined by the Board from time to time.

The Company prohibits directors from entering into arrangements to protect the value of unvested incentive awards. This includes entering into contracts to hedge exposure to options, share rights or shares granted as part of their remuneration packages.

A copy of the Company's Securities Trading Policy is available in the corporate governance section of Bannerman's website.

6. SHAREHOLDERS AND CORPORATE RESPONSIBILITY

Bannerman aims to produce positive outcomes for all stakeholders in managing its business and to maximise financial, social and environmental value from its activities. In practice, this means having a commitment to transparency, fair dealing, responsible treatment of employees and customers and positive links into the community.

Sustainable and responsible business practices within Bannerman are viewed as an important long term driver of performance and shareholder value. Through such practices, Bannerman seeks to reduce operational and reputation risk and enhance operational efficiency while contributing to a more sustainable society.

Bannerman accepts that the responsibilities on the Board and management, which flow from this approach, go beyond strict legal and financial obligations. In particular, the Bannerman Board

seeks to take a practical and broad view of directors' fiduciary duties, in line with stakeholders' expectations.

a) Continuous Disclosure

Bannerman is committed to maintaining a level of disclosure that meets relevant standards and provides all investors with timely and equal access to information.

Bannerman's Continuous Disclosure Policy reinforces Bannerman's commitment to ASX, OTC and NSX continuous disclosure requirements and outlines management's accountabilities and the processes to be followed for ensuring compliance. The policy also describes Bannerman's guiding principles for market communications.

A copy of the Continuous Disclosure Policy is available in the corporate governance section of Bannerman's website.

b) Investor Communications and Participation

Bannerman is committed to providing all shareholders and prospective investors comprehensive, timely and equal access to information about its activities so that they can make informed decisions.
